SESSION DETAILS

Session 1 - Library Support

1. Survival Guide:

Helen Tomazin, of Good Shepherd Catholic discusses how she manages her Primary School Library single handedly. From getting the best bang for your buck (aka budgeting) to creating an exciting and inviting space (aka student engagement). A mystery bag of tips and tricks. There will also be an opportunity for Q and A.

2. Children and YA Literature

Bev Jacobson, from Campion, is one of WA's leading experts on children's fiction. This session will help you develop your knowledge of which books to have in your school library collection.

3. Filling the gaps: Curriculum focused collection development

The Department of Education's School Library Support Team are excited to introduce a new resource to support collection development. This new resource will help you map your school library collection to the WA Primary Curriculum areas of HASS, Science and Health. You will be able to:

- Identify gaps in your collection
- Provide teachers with curriculum focused resources
- Inform future purchases
- Enhance search strategies for new and existing resources

4. SCIS Support

Suan Kui Yoong is a cataloguer with SCIS. This session is aimed to enrich SCIS subscribers' searching and user experience. She will look at SCIS cataloguing, searching and downloading from the SCIS website as well as using SCIS and SCOT subject headings.

Session 2 - LMS Talk

Your library management system representative will be either online or in person and will focus on any new enhancements. For the most part they will be answering any questions that you have. **Please send your questions by June 9 to** <u>wasla@wasla.asn.au</u>

Session 3 - Pound the Pavement

- 1. Under the Covers @ State Library of WA: Take a glimpse between the sheets where the state collection is bedded in a tour of the State Library stacks and get the low down on the astonishing resources available to school students and educators.
- 2. Art Gallery of WA Tour: Join one of our knowledgeable Voluntary Gallery Guides for an introductory look at some of the Gallery highlights. There is nothing like a personal interaction to spark the imagination. Whether you're a seasoned artistic traveller or apprentice explorer, our Voluntary Gallery Guides, offer that extra insight and revealing glimpse into the artwork, the era and the artist.
- 3. North Metro Central TAFE: Interesting in getting library qualifications? NM TAFE will provide a brief overview of their library qualifications and take you on a tour of the campus.

- 4. National Archives of Australia: Interested in records on immigration, war service, citizenship and interesting stories that have national significance? The team will provide an overview of the National Archives collection and services, which will incorporate some demonstrations of their searchable database and educational resources available through their website.
- 5. Perth Cultural Centre Walking Tour: This *self-guided* tour highlights the historical features of the cultural heart of our city. Note: you will need a smartphone to use the QR codes on the map to see historical photos of the sites.
